

3d OP Design als Gegenstand

Zeitgenössische Positionen im Design

The idea of a tree – process
„Recorder one“ at the Danube,
Vienna

How to read the object

Rocking bench,
produced in summer 2016

mischer'traxler

Katharina Mischer and Thomas Traxler are balancing between handcraft and technology. They develop and design products, furniture and installations with a focus on experiments, context and conceptual thinking. They combine technology and nature in new ways.
