Place / Date: _____ Student's signature: _____

Sending institution: I hereby confirm that the university is informed about and agrees to the study abroad plans of the student mentioned above.

Place / Date: _____ Coordinator's signature: _____
Official stamp

Exchange Application: Help & Checklist

What?	Info:	
Application form	The form is attached to this list. After filling it out, don't forget your signature at the bottom of page 2. This checklist is just for you, no need to send it back to us.	<input type="checkbox"/>
Letter of Motivation	This letter is your chance to express why you want to go abroad and why you chose to apply to Burg Giebichenstein University of Art and Design specifically. Remember that professors receive many applications and that they will want some time to look at your portfolio. Don't exceed one page if you don't have to.	<input type="checkbox"/>
Curriculum Vitae	What are your stations of life so far? Keep it simple. Example: It's important for your creative work that you work as a nanny? Great, include it! It's not important? No need to list it.	<input type="checkbox"/>
Transcript of Records	Ask for this official document at your university's Examination Office. It lists all your academic achievements, credits and grades so far. If possible, please make sure the courses are listed in English. You may include your own translation.	<input type="checkbox"/>
Scan of passport / ID	Please scan both sides of your passport / ID into one document.	<input type="checkbox"/>
Scan: passport photo	We need this for our files and your student ID. Please scan a standard passport photo (3 x 4 cm)	<input type="checkbox"/>
Digital Portfolio	Your portfolio is the core of your application and your chance to present the kind of work that you have done so far. Please, <ul style="list-style-type: none"> - make sure that your digital portfolio is one separate file - maximum file size: 20 MB - if 20 MB is too large for your e-mail provider, please use https://wetransfer.com/ and monitor the confirmation e-mail you get from the platform (1- files have been sent, 2- files have been downloaded) 	<input type="checkbox"/>
