Admission Requirements

Admission requirements for Bachelor and Diploma studies:

- Successfully passed **Entrance Exam** of our university (artistic and creative skills)
- **Preliminary Review Documentation (VPD)** through the agency *uni-assist e.V.*
Please apply at *uni-assist* <https://my.uni-assist.de/> with your school-leaving certificates (university entrance qualification).
The agency does evaluate your documents and create a certificate about your university entrance qualification, i.e. whether it is valid to enter studies at a German university. This certificate is the *preliminary review documentation (VPD)*. Please submit it in addition with the rest of your documents.
- practical skills and technical know-how, experiences/internship (pre-study internship for all Design Studies, 2 – 9 months, depending on the study program)
- proof of sufficient German language skills

B U R G

If the equivalence to the German Abitur is not met, a direct admission to the study is not possible. By the attendance of a Studienkolleg (preparatory college) and the passing of the Feststellungsprüfung (assessment test – a supplementary examination to the school-leaving qualifications in your home country) it is possible to acquire the university entrance qualification.

Exceptions are only possible if an exceptional artistic aptitude is stated during the Entrance Exam. For this case, you will also need to hand in the certificate of your preliminary review documentation (*uni-assist*) containing a negative result, i.e. your school-leaving certificate does not meet the requirements to enter a German university.

Application deadlines

The next Entrance Exam will take place in March 2023. The beginning of studies is in October 2023.

The online application for Bachelor and Diploma studies is possible from **1st of December 2022 till the 10th of March 2023** (please visit: <http://azul.burg-halle.de/>).

Usually study admission is only possible in the winter semester.

Entrance Exam

The Entrance Exam at Burg Giebichenstein takes place once a year during March.

On the last page of your online application form you will find important documents and information about the Entrance Exam.

For current information please check back our website in spring.

Language skills for the admission of study for applicants without the German Abitur

For a successful study very good German language skills are highly important. That is why you have to prove sufficient German language skills. Without sufficient German language skills a direct admission to the study is not possible.

The proof for sufficient German language skills is designated by:

- [Deutsche Sprachprüfung für den Hochschulzugang](#) (DSH) Stufe 2 (DSH2)
- [Test – Deutsch als Fremdsprache](#) (TestDaF) Stufe 4 (TDN4) in all fields
- [Deutsches Sprachdiplom der KMK](#) Stufe 2 (DSD II)
- [Goethe-Zertifikat C1](#)
- telc Deutsch C1 Hochschule

It is your responsibility to acquire the necessary language skills until the beginning of your studies.

We advise you to learn German in your home country as well as to take the appropriate exam there. If this is impossible, you have the option to take the DSH and TestDaF exam at the Studienkolleg (preparatory college) at the Martin-Luther University in Halle (Saale). For more information please contact:

Entry and stay permits

Citizens of the following countries **do not need a visa** for entry:

- European Union as well as Island, Liechtenstein, Norway – for a stay longer than 3 months you have to register at the registration office (Einwohnermeldeamt).
- Swiss, Australia, Israel, Japan, Canada, New Zealand, South Korea, USA, Andorra, Brazil, El Salvador, Honduras, Monaco and San Marino – the residence permit can be gathered at the relevant immigration authority after entry.

Citizens coming from all other countries need a „[Visum für den Aufenthalt zu Studienzwecken](#)“ for the purpose of study. You have to apply for this visa after the passed Entrance Exam. For your Visa Application following documents are requested:

- Proof of sufficient [health insurance](#)
- [Proof of financing](#)
- Proof of your previous academic study courses
- Proof of existing German language knowledge (if applicable) or a planned language course in Germany
- Letter of admission of Burg Giebichenstein or rather the confirmation of the passed Entrance Exam.

The admission of study with a tourist visa is excluded. We strongly advise against an entry with a tourist visa!

Study financing

Burg Giebichenstein University of Arts and Design Halle does not raise any tuition fees. We do not award any scholarships! Please find out about scholarships in your home country, for example on the website of [DAAD](#).

For cost of living during the studies you should calculate about 800 € per month. The following fix costs occur:

- **Semester contribution**
winter semester 2022/23 and summer semester 2023:
248,40 €
(Social contribution for student services 80 € + 8 € Student Union (after the first semester voluntary) + semester ticket for bus and tram 160,40 €)

- **Health insurance:** citizens of the EU are normally insured with the [European Health Insurance Card](#). Non-EU citizens have to take care of their insurance themselves. The matriculation at our university is only possible with a valid health insurance (about 80,00 € per month).
- **Living:** A reservation of accommodation is not connected with your study place. You can apply for a room at the students apartment. Renting of students apartments cost up to 250,00 € each month. For further information please contact the student service institution: [Studentenwerk Halle](#), Dept. Studentisches Wohnen, PF 11 05 41, 06119 Halle, Tel.: +49(0)345 68 47 413/414
- **Lunch:** students can choose from a variety of meals, snacks and drinks offered in our cafeteria, prices around 2,50 €
- **Material:** Design or Art Studies can be expensive due to the required material! Depending on your field of study high costs may arise.

For further information please visit our [website](#) offering all the necessary information about our university. Here you can also find detailed information concerning the single study programs. We also advise you to get in contact with the respective professors for a detailed consultation.
